

Nane Annan

24 July 2003

Dear Mr. Yannopoulos,

I have just received the charming photo of my visit to "The Smile of the Child", reminding me of my wonderful meeting with the children.

Thank you so much again, and also for the lovely gifts you gave me, which remain a fond reminder of my visit, both the little statuette and the children's drawings. Again, please give them my warm greetings.

Yours,

Nane Annan
