Dear Costas:

Just a brief note to thank you for all you did to make the recent meetings so successful. We are deeply grateful for your kindness, assistance and support, and look forward to working with you in the years ahead.

I am particularly pleased that the board approved our formal connection with Smile of the Child, making you a "member" of the ICMEC family. You and I have discussed this step for a long time, and certainly, I have felt that it was not only appropriate, but overdue.

We are working on a draft of our conclusions from the Balkan Forum and look forward to working with you on a strategy that can help us produce a Balkan Regional Center.

Thanks for all of your critical leadership and support. You will be a great addition to the board. I look forward to a close partnership for many years to come.

Sincerely,

Ernie Allen
President & CEO
