Chairman of the Board of Directors, The Smile of the Child  
16, Stournari Str.  
10683 Athens, Greece

Dear Costas,

Although several months have passed since our meeting in Cairo, I wanted to extend my thanks once again for your being with us on such an important occasion. During the Conference, Mrs. Mubarak set the tone, calling for us all "to set a clear message that despite socio-economic and political challenges... the plight of missing and sexually exploited children must remain a priority in our national, regional and international policies." Of course we at ICMEC couldn't agree more. I remain grateful for your support and that of other Board members as we continue to work hard in the best interests of children everywhere.

I have enclosed a copy of the Conference Proceedings, with my appreciation for your participation, and hope the report will remind you of an important event in ICMEC's global movement to protect children.

With warm personal regards,

Nancy Dube,  
*Executive Vice President and Chief Operating Officer*
